Cornhusker Anthem

In the time of youth and golden dreams
How rosy dawns the year,
How blithely do we greet at last
Our college days so dear—
When first as 'Huskers me shall sing
In voices fresh and clear.

REFRAIN

Oh Nebraska, dear Nebraska
Of the Scarlet and the Cream
With glad acclaim
We laud thy name,
Our joyful praise
To thee we raise
To the Scarlet and the Cream
To the Scarlet and the Cream.

Upon the benches, past the dial,
In U Hall and in drill
We meet new lessons, friends and hopes
Which time will never still,
True 'Huskers now, we proudly sing
And sing with heart and will.

In after years when we have seen
To life's far distant rim,
When for the last long, silent voyage
Our sails we soon shall trim,
With old time fire we'll join and sing
Tho' eyes with tears are dim.

Harry Burtis, '13.

Chosen to be the official University Anthem in the Glee Club competition last spring. Music by John M. Rosborough, of the University School of Music.
